

MEURSAULT LES NARVAUX Meursault “Les Narvaux”

This very famous climate of 16 hectares is situated in the highest vineyards of the village (on top of the last 1er Crus). Produced on thin and poor soil and substratum (multiple rows of lava), the wine takes the best features of the soil.

Fantastic fineness and complexity of aromas, this wine seduces the palate with its elegance, complexity and length.

This wine is dedicated to wine experts.

Gastronomy : go well with white meat and refined fish.

Temperature : 13°C-14°C

Conservation : 7 to 8 years
